**Browne, et al., v. City of New York, et al.,
16 CV 4224 (ENV) (VMS)**

Dear Judge Vitaliano:

We represent the plaintiffs in the *Thomas* action referenced above and write further to the December 1, 2017, report and recommendation of Magistrate Judge Scanlon addressing our application for fees and costs relating to six accepted Offers of Judgment. (Docketed as Documents 126 and 62, respectively). The parties' deadline to object was December 15. As none of the parties have filed any objections – and I have been informed by defense counsel that none are forthcoming – we respectfully urge the Court to adopt the report and recommendation in its entirety and direct that judgment be entered accordingly.

Thank you for your consideration.

Respectfully submitted

Michael Lumer
